

SHEQ POLICY

(G05-4)

NVD Trading Limited is committed to:

- The prevention of injury and ill-health through the provision of a safe working environment for all our employees, contractors, road users, other members of the public and anyone else affected by our activities
- The consultation with and participation of our workers in relation to H&S matters
- The protection of the environment and the prevention of pollution arising from our office, compound, workshop and transport activities
- The delivery of a high-quality service to all customers and the achievement of total customer satisfaction

To achieve these aims, we will:

- Ensure that we identify and meet all our compliance obligations, including customer and other third-party requirements, statutory and regulatory requirements as well as requirements specified in ISO9001, ISO14001 and ISO45001
- Eliminate hazards and reduce risks associated with our activities
- Provide our employees with the required knowledge and training to ensure they understand their obligations and have the skills required to help us achieve our goals
- Continually invest in the maintenance and replacement of our fleet to ensure the highest levels of reliability and safety and maximum environmental performance
- Measure our quality, environmental and health and safety performance against defined KPIs and objectives
- Implement cutting edge technology and industry best practice in all aspects of our operations and in all our locations, nationally and internationally
- Strive to continually improve the performance of our SHEQ management system
